“TELL ME SOMETHING GOD SAID AND I WILL BELIEVE IT!!!”

BY C.W. WOOD

MARCH, 2019

I heard a man make the Statement a few days ago, and it struck all the way into my Soul. It made so much common sense that I wondered at the Simplicity of it. “Tell me Something that God Said and I will believe it”

As I began to meditate on these few simple words, it come to me that they explained Faith in such a way that even a child can understand it. All we need to bring this fact into our hearts and lives is the revelation that God cannot lie! It is written in Titus 1:2 “—that **God cannot lie.**” This is a plain fact concerning our God, and can be taken as such without any danger of being wrong. How great a change we would see in our churches if we would only believe the things God has Said in the same way that we believe

what men have said.

Do you have a family Doctor that you trust, as he tries to help you with your physical life? That is good if you have him. He will be concerned about your health. Do you have an Attorney that you can trust to help you with your legal affairs? If so that is good to believe him and follow his advice! Do you have a banker that you trust to help you with your finances? If that is so that is good for you to believe him and take his advice! Do you have a Pastor that you love and trust, if that is so , that is good to take his advice and follow his leadership. Do you have a husband or a wife that you love and trust with all your heart? If so, it is good to have such a relationship with another human being!

Now there comes to my

mind a question that each one of us should face with all honesty and sincerity, here is the question, how is it that we can trust other human beings, then look up toward our God and doubt Something He has Said???. Our goal is to be able to make this Statement, “Tell me something God has said in His Word and I will believe it” How brokenhearted our Creator must be as He watches us trust other human beings, then doubt Him and His Love and care for us!

He is the perfect One and you cannot improve on Perfection. He is the Holy and Righteous One who has never made a mistake, and can do no wrong! There is nothing that He has created that He is not in control of. There is no end to His Power, no limit to His

Knowledge and Wisdom and His Love wins every Soul that will come to Him. All Scripture was inspired by the Holy Ghost and therefore is the Voice Of God! However the religious world and the modern church treats the Bible today, it was not treated with contempt or questioning by the Lord Jesus. He treated the Word with full respect and reverence at all times. He continually quoted The Law and the Prophets and the Psalms. How can we ever go wrong by following His Example and putting the Written thoughts of God first before every thought of man? Jesus Himself quoted the Old Testament Scriptures and used them as His Text Book, how much more should we value every Word in the Bible as having been spoken "By the mouth of the Lord!"

We see the same value placed on the Scriptures by His Disciples as they used them as their Supreme Authority to Settle

all Arguments. Today we never see the true five-fold ministry raising any Kind of question about the inspiration of the Scriptures. It is our Absolute!

The writers of the New Testament used the Old Testament as their guide line for writing the New Testament. Those today who want to argue and suspect Part of the Scriptures will find no Sympathy in the teachings of Jesus. His constant testimony was "THE SCRIPTURES CANNOT BE BROKEN." Other religions can choose whatever gods they want to and follow whatever teaching they want to follow, but we, the Bride believe every doctrine that the King James Bible Sets forth. We believe the mouth of the Lord has spoken it! If what we read in it came out of the mind of Isaiah, or King David, or the Apostle Paul, or the other writers, then it wouldn't be worth the hundreds of hours that we have spent

studying it and praying about it. On the other hand if it is truly all Words that The Mouth of The Lord has spoken, then we owe it all the reverence and respect we can muster up.

On every Christian's shoulders lies the burden of getting this Word out to the masses. We are the watchmen on the wall, and if we fail to warn the people of Judgement, and they die lost because we failed in our duty, then their blood is on our hands.

Where would we be if we didn't have our Bibles? And if we are left to wonder what Part of it is inspired and what Part is only from a man, then we are as bad off as if we had no Bible at all! It is far better to believe that the Whole Bible has come out of God's Mouth and be called a Fool, than to believe some theory of man and be called Wise by the world. I heard of a church member who said to his Pastor "Br. John, you need

to adjust your beliefs to the Progress that science is making.” He replied, “But I haven’t had time to read the morning paper yet!” The only thing we can know about unsaved Science is that it will soon change again. Heaven and Earth will pass away but not one Word that has come out of the Mouth of God will Fail.

God has never yet given a warning of Judgement that failed to come to pass in its proper time. When He told Pharaoh, by the Prophet Moses, what He would do if not obeyed, He did it! When He told Abraham what He was going to do to Sodom and Gomorrah, He did it! When He told His Prophets what He would do to Babylon, to Nineveh and Edom and Moab, He did it! When He told His Disciples what He was going to do to Jerusalem because of their Sin and unrepentant hearts, He did it! Thousands of His Chosen People (The Jews) were killed in the Temple

while on their knees Praying!

When God showed His Prophet William Branham that our Great Nation would reject His Endtime Message and cross the line between Mercy and Grace and Judgement, and that the year 1957 would be their last chance to repent as a Nation, we have lived to See the beginning of the Tribulation, as Judgement is now striking on every hand.

We can depend on it Church; when God says that those who refuse to obey Him will go into terrible Punishment, it will happen just as He has spoken it!! A man in Prison was visited by a Christian brother, and when he saw the Bible under his arm, he said, “You don’t expect me to believe that Book, do you? If I believe that, I am lost forever.” And the Christian replied, “No my poor Friend, you are lost forever because you refuse to believe it!”

Who is the very foolish Person who will not fear

and tremble as they Watch God today, carrying out His Spoken Words of Judgement on the Unrepentant! When God says, “If you believe not that I am He (and obey me) you will die in your Sins.” But if we believe His word to be true and act on it, we will find out that The Mouth of the Lord has spoken a way of escape from the Wrath to come. God does not condemn us because we were born lost and separated from God. We had nothing to say about our being “Subjected to Vanity (Sin) (Rom. 8:20). This was God’s plan so that He could Prove Satan wrong when he said to God, “If you had left me in Heaven long enough, I would have won all your Creation over to my side.”

So God has, and is Proving the devil wrong by giving him another chance at God’s elect angels. It is now Proven that God’s Holy Spirit in a human being is far more Powerful than the devil’s Law of Sin

in our Flesh. Here is a Powerful Revelation that will help many come to Christ who are now waiting to come when they have been able to be more worthy to come! God does not condemn us for being born lost because we had no choice in the matter of our Sexual birth! He condemns us because we will not accept His remedy for our Sins! He condemns us be-

cause we won't repent and stop our Sinning.

Psalm 130:3 Says, "**If thou, Lord shouldest mark iniquities, O Lord, who shall stand?**" Psalm 76:10 Says, "**Surely the wrath of man shall praise thee: the remainder of wrath shalt thou restrain.**" God has the Power to save those that the devil has tricked into hating Him!!! If man's wrath is not in God's plan

to save the man, then God will stop the devil's plan!

Satan is no longer a free moral agent. If he was God could not have said, "**Behold, I give you Power and Authority over all the Power of the devil.**" (Luke 9:1) (Luke 10:19)

Ministers, let's not Preach the Power of Satan, but rather his Eternal defeat, or else Jesus told it wrong.

Amen.
